

The 1938 Locey Family History

The following pages are scans of a family history originally compiled by Alexander Crippen Roberts with the help of a group of his cousins in 1938. This document is 83 pages in length. I have prefaced the history itself with copies of the correspondence from Alexander Roberts to my gGrandfather Herbert Miles. I honestly cannot fathom the amount of work that must have gone into this, no computers, no email, or internet... all by hand the long way. All I can say is I appreciate the work.

This history is not just a cataloging of names, but it has a lot of nuggets about the people in it that make them more than just a name on a page.

Upon his sending out of an original number of 150 copies of this project he challenged, all those to whom he sent it, to keep it current. So now I am doing my part, close to 70 years later, to help with that. Please, if you are a member of this family contact me, I love to 'meet' new cousins and I would like to update the family history for the next generation.

This file may be printed out but, please as you go through it, remember there was no spellcheck, and no white out. There are typos. I have not changed anything in this electronic copy of the history. Also none of the supposition about the first generation- Daniel and Pheobe Locey and the tie to Scotland and a shipwreck has ever been proven to the best of my knowledge.

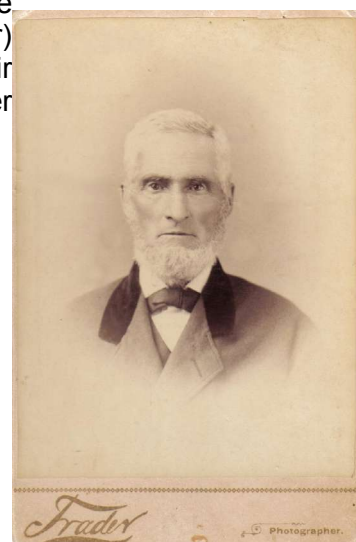

This is primarily the Family history of the descendants of Daniel Locey and Hester (Esther) Taylor, parents of 12 children. I descend from their youngest child Mary Cornelia Locey and her husband Jesse Miles Jr.

Enjoy and God Bless,

Mary E. Smith

Mr. Herbert L. Miles
Gimarron, Colorado

My dear Mr. Miles:

For several years I have been collecting records of the Locey and Roberts families. I have tried for a long time to get in touch with some of the children of the Jesse Miles-Cornellie Locey family. Superintendent Morgan of Montrose has given me your name and address as one of the children of Horton Locey Miles. That is the reason for my letter today.

I wonder if you know that we are in a very numerous and widespread relationship. There were fourteen to sixteen children in the Locey family that settled in Carlisle, Illinois in 1826. Of these ten grew to manhood and womanhood and raised families. I have very complete records of six of these families and incomplete records of two others. Your grandmother, Mary Cornelia Locey was the youngest of these children. She was born in 1825, so was only a year old when the family moved from New York to Carlisle. The interesting thing is that your grandfather Jesse Miles was my father's uncle and your grandmother, Cornelia was my mother's aunt, so we are all double cousins.

I have been able to get some of the family records through my Roberts relatives in Grant County, Wisconsin, and some of them through your cousin, Mrs. Rachel Auldridge, of Tacoma, Washington.

Mrs. Ida Cooper, who lives at Lancaster Wisconsin, gave me the names and some of the dates of the members of the Miles family, but she did not have the names of the grandchildren and their families. Mrs. Auldridge gave me the complete record of the family of Esther Miles Branscombe.

Would you or some member of your family be willing to list for me the names of your uncles and aunts and their children and grand children, so far as you have any record of them? If you will do this and send it to me soon, with as many addresses of your cousins as you have, I will be glad to write to them and try to get all of these families lined up.

I am hoping to complete these records before long and you will be surprised when I tell you that I think there will be about a thousand names. It is one of the most interesting studies I have ever undertaken.

Hoping that I may hear from you soon and with kind regards, I am

Sincerely yours,

Mr. Herbert H. Miles,

Cimarron, Colorado.

My dear cousin,

I thank you very much for your good letter and for your offer to help get the Miles records together. I have been at work for several years on the Locey records, and had made a good deal of headway with eight of the families. Your family was hard to get at because we had lost the names and addresses of the third generation. I have just received a long letter from Nolan W. Miles of Enid with a lot of good information, and now you send word that you will be glad to help with all the records that you have and can get. That is great, and I hope you will begin by getting your father's family lined up first and then your own family, and then the families of all the others.

You spoke of the Roberts, Christy, Locey names. Sarah Christy married Jesse Miles, Senior. One of their daughters, Scinthy Ann, married my grandfather, Henry Roberts. One of their sons, Jesse Miles, Junior, married Cornelia Locey, your grandparents. I have those records very well worked out, and I will have copies soon for all of you. Now, the problem is to get the records of the Jesse Miles-Cornelia Locey family.

In order for you to get a good start, I enclose what I have on your families. You will see that it is very incomplete, but with the help of Nolan Miles, yourself, and others, perhaps we can get the whole record soon.

I will not write more at this time, but will be more than glad to have word from you at any time. I have a cousin, Mrs. Leo Ryan, at Plateau City, who wrote to me that they had visited with your father a good many years ago.

With much appreciation, I am,

Sincerely yours,

Alexander Crippen Roberts

March 15, 1938.

Mr. Herbert H. Miles,
Cimarron, Colorado.

My dear Cousin,

Thank you very much for the interesting information and records which came this afternoon. Rachel Auldridge gave me the name and address of your sister Lena, and I sent her a blank for the record of her family. We are putting in all the children down to the last baby, and so I enclose record blanks for your own family, Lillian's, Roscoe's, and Dan's. If the children are married and have families, please put down the names, dates, and places for all the younger folks just as you did for your father's family.

Thank you for the address of your cousin Myrtle. I will write to her tonight. Have written twice to Lodi but no answer yet. From Ida Caspers I received an old obituary telling of Art's death and burial there in Colorado. Perhaps Myrtle will be interested in helping with your Uncle Thompson's family.

You spoke of your Aunt Keziah. I had word from Wisconsin a short time ago that she passed away in January and is buried at Long Beach. Do you know her maiden name and the date and place of her marriage to your Uncle Henry?

You spoke of the Robertses in Colorado. I have cousins, Nelle and Leo Ryan at Plateau City and two nieces, Mrs. Mary Hayer and Mrs. Laura Thomson at Denver. Nelle and Leo wrote to me that your father visited them at Plateau City once a good many years ago.

Will you please send the date of your father's death? I take it that your mother is still living. Does she live at Montrose? She is eighty-three, a fine old age. Please give her my love.

Thanks for wishing me success with this undertaking. In the first five of the Locey families to be completed, I have listed 539 names. When all are in I imagine we will have nearly 900,- what a family. .

And last thanks for the offer^{of} still more. Have the younger members all set down and the sheets returned as soon as possible, for I am very anxious to get the sets out now to all the families.

Kind regards to all,

Sincerely your cousin,

Alexander C. Roberts

CARE OF THE RECORDS

We hope you will want to keep these records for your children, and perhaps their children. They should be kept in a loose-leaf binder such as is sold in any high school or college supply store. The best binder is an all leather binder with zipper all around, which costs about \$3.00. The plain cloth binders are inexpensive and very satisfactory.

OBLIGATION

This set comes to each of you with the compliments of my family and me. We are happy to get out this first set of 150 copies as partial recompense for the splendid help we have had from so many in getting the records to us. But in accepting this set, you accept it with a grave responsibility. You agree to help me keep a master copy accurate and up to date. That means, first that you will go over these records of your family at once, and send to me corrections of errors and added records of every kind. It means, second, that you will send me a Christmas card or other card or letter at least once a year giving the names, dates, and places for every family change: marriages, deaths, new babies, and other interesting family items.

CORRECTION SHEET

As these changes and corrections reach me, I will enter them on my Master Copy, and at least once each year, I will try to get out a correction sheet so we may all bring our sets down to date.

The 1938 Locey Family History

THE GENERATIONS OF DANIEL AND PHOEBE LOCEY

This is the story my mother told to me:

"DANIEL LOCEY married PHOEBE () in the north of Scotland, in some village near the Locey River, about 1750.

About 1763 or '4 they set sail for America on a sailing vessel. The trip took six weeks and small pox broke out on board. Both parents died, leaving five small children. PHOEBE was buried at sea and DANIEL was buried the day they landed.

Of the children, DESIRE was the oldest and DANIEL, the youngest. The others were NEHEMIAH, PHOEBE, and CATHERINE MARIA. The records of all but DANIEL have been lost. He married HESTER (ESTHER) TAYLOR in Sullivan County, New York, and became the father of sixteen children. One of his daughters was your grandmother.

Children: BRAZIL, NEHEMIAH, JOHN NEWKIRK, ALEXANDER THOMPSON, ABRAM TAYLOR, FRANCIS JANE, PHOEBE, DESIRE, CATHERINE MARIA, ELIZABETH ANN, BEULAH ANN, IRA HORTON, THOMAS PASON, MARIA CORNELIA. Four, including DESIRE and THOMAS PASON, died in infancy."

PHOEBE may have been named THOMPSON. The Locey river is doubtless the Lossie. HESTER TAYLOR may be ESTHER, - both spellings are in the record.

THIS IS THE STUFF OF WHICH THE WEST IS MADE

All of the children were born in Sullivan County, New York. Carlyle, Illinois, has been the family home since 1826. DANIEL and HESTER LOCEY died there in 1835. He was a brick mason and a stone mason and farmer. For more than a century the families of the children have been scattering out from Carlyle, - to Wisconsin, Iowa, Missouri, Kansas, Oklahoma, Colorado, Washington, Oregon, California.

The records which follow read like the first chapter of Matthew, and our grandfather and grandmother, DANIEL and HESTER, seem to have taken seriously the admonition of the Lord after the waters had receded from Ararat, an admonition not wholly lost upon the succeeding generations.

KEY

Since these family names appear over and over again in these records, some sort of key seemed necessary. Every person in the direct relationship has been given a letter and a number. The number denotes the place in the family and the letter indicates the generation in America, as follows:

BRAZEL LOSEY
1796-1797 1830-1837

b-1

BRAZEL LOSEY, first child of Daniel and Hester Taylor Losey, was born in 1796 or 1797, near Bloomingburg, Sullivan County, New York, where he grew up. He preceded his parents westward, marrying in Ohio, living in Carlyle, Illinois before the arrival of the family of his parents, and returning to Ohio, where he died between 1830 and 1837.

The following account is taken from records sent by Mollie F. Fitzgerrell of Carlyle:

BRAZIL (BRAZEL) LOSEY married Mary Shepherd in Reading, Ohio, June 20, 1820. Mary Shepherd was born April 28, 1798 died October 4, 1837 (Record from Mrs. Christian Howard of Sharronville, Ohio, a relative of Mary Shepherd). Brazil may have gone to relatives in Ohio before coming to Carlyle. Evidently he preceded his father. It is said he was a stage driver. Brazil Locey is given in Clinton County, Illinois census of 1825 in Gunridge precinct; in 1826 he was appointed trustee for four years of school lands in T.1, N.3 W-16' Section.

He had a grocery store at northwest corner of public square in Carlyle. He was bitten by mad dog and after two years, having spasms, his wife insisted upon going back to Ohio where he died.

Brazil and wife had two sons and one daughter. One son, Samuel Losey, lived near Lawrence, Kansas, died at the age of 72 years, had a son Mon, and daughter Grace. A grandson of Brazil, T.J. Losey lived in 1912 at Los Angeles, California. He was reared in Ohio among the Shakers, knew very little of his parents; his father may have been the brother to Samuel. A son of T.J. Locey was an attorney in Chickasha, Oklahoma in 1912, name Thomas B. Losey.

Meager records indicate the following family of Brazil and Mary Shepherd Locey.

c-1

SAMUEL, was born in Ohio, died in or near Lawrence, Kansas. Two children.

d-1

MON. No records.

d-2

GRACE. No records.

c-2

Son. No records.

d-1

THOMAS J. LOSEY, was born March 29, 1846 in Ohio and grew up among the Shakers in that state. Married twice. Second marriage to Jessie Stowell. He died January 15, 1936 and is buried in Los Angeles. Record of one son: Thomas B. Mrs. Jessie Stowell Locey was still living in Los Angeles in 1936.
